Open Document To Whom It May Concern

List of people **killed or arrested** under governance of Sudan's Transitional Military Council between 11th April and 1st July 2019

- The names below are for people **shot dead** or **arrested** since the Transitional Military Council (TMC) took over power on 11th April 2019.
- The names on this list have been compiled from open sources and verified using different triangulation techniques and in cooperation with our networks and contacts in Sudan. This list is not *inclusive* and can never be inclusive. Many were reported missing and some were not identified yet after the massacre of the 3rd June 2019. The list is updated regularly. Last update is 2^{ed} July 2019.
- Some of detainees may have been released from detention others are not and were subjected to inhuman treatment, harassment and torture.
- This list will be part of a letter to be sent to governments, human rights organisations, regional and global intergovernmental organisations.
- The Independent Movement is a Sudanese Diaspora-led organisation holder of a *Special Consultative Status* at the United Nations *Economic and Social Council* (ECOSOC) since August 2018.
